Re: Request for Additional Information (Amended April Qrtly, 01/01 - 3/31/2006)

Dear Ms. Seay:

This is in response to the Federal Election Commission's analysis of the Madison Project, Inc.'s Amended April 2006 Quarterly FEC Disclosure Report and your request for additional information concerning that report.

1. The beginning cash balance did not equal the ending cash balance of the Amended Year End 2005 report and the committee has amended the report to correct the discrepancy.
2. It was stated that Schedule B supporting Line 21(b) disclosed \$1,703.25 in activity identified as MEMO entries, but did not appear to correspond with any itemized transactions. After reviewing the report, the ADP descriptions were adjusted to provide clarification and better association with the MEMO entries. This can be seen on the amended report.

I trust that this response will satisfy the Commissions request for additional information. Please contact me should you require anything further.

Sincerely,

Scott B. Mackenzie
Treasurer
